

## ORGANIZATION

Humanitarian Action Against Child Labour, Burundi  
pledges to

**Create a training centre for sustainable  
development**

## **Create a training centre for sustainable development**

**Name:**

Training centre for sustainable development

**Description:**

Create a social and education training centre for the sustainable and comprehensive development of working children in Burundi.

**Implementation plan:**

Find national and international financial partners.

**Impact:**

Act to inspire an intercommunal awareness-raising campaign.
