Get vulnerable children off the streets through advocacy and awareness programs

Name:

Get vulnerable children off the streets through advocacy and awareness programs

Description:

LAFSO is getting vulnerable children off the streets through advocacy and awareness programs. Provide life skills training to rehabilitate them, and reunite them with their families and friends.

Implementation plan:

1. Create based line survey
2. Set up a data-based system
3. Identify the problems
4. Recommend to key stakeholders to seek a way forward
5. Seek out funding opportunities to address associated problems
6. Capacities development and empowerment
7. Write success stories of beneficiaries and project

Impact:

LAFSO will work with parents, the Ministry of Justice, the child justice division, and communities to develop protection guards for child movement. Join child labor platforms and network with other CSOs for experience sharing and learning.
