**End child labour in 50 locations in 4 states
of Northeast India**

End child labour in 50 locations in 4 states of Northeast India

Name:

Ending Child Labour in the 30 locations in the 4 states of Northeast India.

Description:

- To take a survey in the 100 villages of the four states of Northeast India (Assam, Nagaland, Manipur, Arunachal Pradesh) to understand the depth of child labour
- To create awareness among the 1000 youth and 5000 children on the issue of child labour
- To organise Warriors against Child Labour in the 50 villages (WACH) including children aged 10 to 17 years
- Present street theatre on Child Labour in the 50 locations
- Organise Essay Competitions, Drawing Competitions, Bicycle Rally, Child Panchayats in the 100 locations against Child Labour
- Impart awareness on child labour and its implications in children in the 100 schools in the region
- Provide opportunities to the dropped out children through National Open Schooling (NIOS) to complete high schools and higher secondary education
- Provide functional literacy classes to the illiterate child labourers and place them back to school
- Eliminate child labour by 2025 in the 50 villages in the 4 states of Northeast India
- To conduct symposium advocacy campaigns in different locations

Implementation plan:

- Initiating a survey
- Organising Network groups of NGOs and philanthropists
- Through the implementation of projects and programmes
- Organising Children groups with adult mentors in the 100 villages
- Delegating staff and volunteers to monitor and follow up

Impact:

- By establishing effective networks with like-minded NGOs and organising common action plans
- Publications and open house
- Awareness programmes leading to action plans to the entrepreneurs, owners of small scale industries, parents, youth and children followed by action plans
