OF CHILD LABOUR

## ORGANIZATION

Beulah Future Leaders Foundation, Nigeria  
pledges to

# **Combat child labour prevalent in Northern Nigeria**

## **Combat child labour prevalent in Northern Nigeria**

**Name:**

Ending child labour prevalent in Northern Nigeria

**Description:**

We will reach out to stakeholders, religious leaders, politicians, and the government, and carry out campaigns on social media. The target beneficiaries are child hawkers on the streets.

**Implementation plan:**

We will collect stories from over 100 child street hawkers, involve stakeholders, religious leaders, politicians, and the government through advocacy, carrying out campaigns, and using social media.

**Impact:**

Beulah Future Leaders Foundation expects to reach out to religious leaders and policymakers to discuss and find out ways to take children hawkers out of the streets.
