Renewal of the National Tripartite Committee and to update the national action plan to combat child labour

Name:

Renewal of the National Tripartite Committee and to update the national action plan to combat child labour.

Description:

Update and implementation of the national action plan to combat child labour.

The beneficiaries are: civil society, children, parents, national police, social partners. In addition, we will carry out awareness-raising campaigns

Implementation plan:

- Implement the national framework to combat child labour
- Advocate for the enactment of the new law, mainly the Labour Code, which strengthens key measures to protect children. Carry out a national awareness-raising campaign against child labour.
- Organise an international day against child labour.

Impact:

This pledge will ensure child labour is eliminated.
