Coalition of NGOs for Child Protection, Kosovo  
pledges to

**Raise awareness of child labour**

## **Raise awareness of child labour**

**Name:**

Zero child labour: Children must learn, not earn!

**Description:**

KOMF Action Pledge will focus on and aim to raise awareness of children, parents, communities, professionals, stakeholders, decision-makers, and the wider public on child labour, exploring the phenomenon, its consequences, and why it is important to join forces to end it.

**Implementation plan:**

On the 12th of June 2021, KOMF will prepare and disseminate a press release on child labour to the media. The same press release will be published on KOMF webpage, Facebook, and Twitter. KOMF, being a coalition of 31 NGOs, will use the support of all its member to share and disseminate online the posters and statements related to ending child labour.

**Impact:**

Mainly our action will aim to raise awareness among the entire population on child labour and the importance to end it.
