Contribute to ending child labour in Nepal

Name:

Contribute to ending child labour in Nepal

Description:

Support children to go to school.

Implementation plan:

Raise awareness among youth, children, women, in order to ensure and facilitate access to school.

Impact:

Joining hands with the child labour platform and with UN Global Compact will allow us to get knowledge and understand more the issue. Joining hands with Rotary through their involvement in the pledge and campaign will contribute to ending child labour.
