

INTERNATIONAL YEAR  
FOR THE ELIMINATION  
OF CHILD LABOUR

## GOVERNMENT

Ministry Of Employment, Productivity, and Industrial Relations, Fiji  
pledges to

**Finalize the national child labour policy**

## Finalize the national child labour policy

### Name:

Fijian Government Pledge for the "International Year on the Elimination of Child Labour"

### Description:

Our aim is as follows:

- Finalize the national child labour policy
- Review the current national employment policy
- Implement the national occupational health services strategic plan
- Set up a paperless labour inspection program

Beneficiaries:

- Stakeholders, employers & employees, enforcement officers

Key problems to solve:

- Child labour issues, lack of enforcement, application of the law, delays in investigations & reporting processes

Tools to be used to accomplish the goals:

- Awareness through enforcement officers, strengthening of the application of laws applied to the problems, integrated approach and strengthened collaboration between stakeholders.

### Implementation plan:

Steps to guide the implementation of the pledge:

- To engage key stakeholders
- Capacity building exercise for key stakeholders or working groups
- Public awareness
- Enforcement of relevant laws

### Impact:

- More public awareness
- Robust enforcement of relevant laws
- Constructive investigation into child labour issues
- Proper coordination between stakeholders and assistance provided to facilitate this
- Dissemination of information on child labour preventative measures
