SAVE THE CHILDREN, IRAQ

Prevent and respond to child labour in humanitarian action

Name:

Preventing and Responding to Child Labour in Humanitarian Action

Description:

The Inter-agency Toolkit: Preventing and Responding to Child Labour in Humanitarian Action is available and disseminated at local, national, regional and global levels and humanitarian responders have enhanced knowledge and competencies to prevent and respond to child labour in humanitarian action.

Implementation plan:

Rolling out the Inter-Agency Child Labour Toolkit

Impact:

Build Capacity of Child Protection humanitarian and Non-Humanitarian actors to better work on prevention and response to child labour.
