**Promote the elimination of child trafficking
and child labour in Oyo and Lagos**

Promote the elimination of child trafficking and child labour in Oyo and Lagos

Name:

Ending child trafficking and child labour in Oyo state.

Description:

We pledge to promote the elimination of child labour in the states of Oyo and Lagos via the implementation of system strengthening activities and the support of the rehabilitation and possible repatriation of victims of trafficking.

This is to be done through collaboration with state steering committees on the elimination of child labour.

A stakeholders meeting will be held to ensure key stakeholders carry out their roles in ensuring the elimination of human trafficking and child labour in the Oyo state.

Implementation plan:

We will implement as follows:

1. Conducting advocacy and sensitization visits
2. Capacity-building activities in aforementioned states
3. Supporting of stakeholders response activities in the fight against human trafficking and child labour

Impact:

This would ensure that all entities saddled with relevant responsibilities for the elimination of child labour do their job.
