

INTERNATIONAL YEAR
FOR THE ELIMINATION
OF CHILD LABOUR

GOVERNMENT

The Fundamental Rights Unit of the Ministry of Labour, Employment and
Social Security, Bolivia
pledges to

**Make progress towards the eradication of
child labour in Bolivia**

Make progress towards the eradication of child labour in Bolivia

Name:

Towards the eradication of child labour in Bolivia.

Description:

The Fundamental Rights Unit of the Ministry of Labour, Employment and Social Welfare, through the department for the progressive eradication of child labour, pledges to carry out preventive actions through training on fundamental rights and the rights of child and adolescent workers, and also to carry out tasks in this area.

Implementation plan:

1. Elaboration of a short-term strategy for the implementation of tasks for the progressive elimination of child labour
2. Inter-institutional coordination within the Fundamental Rights Unit for the implementation of the strategy
3. Dissemination and implementation of the strategy during the 2021 management period

Impact:

We will:

- raise awareness of child labour among the general population;
- train beneficiaries, child and adolescent workers on their rights as workers;
- train employers on the basic and minimum conditions and rights of child and adolescent workers, within the framework of Bolivian regulations;
- conduct inspections of employers and workplaces at higher risk and where there is a vulnerable population (rural areas);
- install temporary mobile offices to provide information and technical assistance on labour rights in rural municipalities where there are no departmental labour offices.
