MINISTRY OF LABOUR, MALI

More concrete actions on the ground to combat child labour in 2021

Name:

Carry out more concrete actions on the ground to combat child labour in 2021.

Description:

This pledge will be implemented through the production of the following:

- The recruitment of ten (10) new Labour Inspectors to deal with child labour;
- Technical assistance to three (03) NGOs to implement activities to remove and reintegrate child victims of the worst forms of labour

Implementation plan:

By mobilizing national and international human and financial resources.

Impact:

Capacity building in terms of human resources will allow child labour to be prevented but also to remove a large number of victims from the worst forms of child labour.
