Implement the Model for the Detection and Eradication of Child Labour

**Name:**
Implement the Model for the Detection and Eradication of Child Labour

**Description:**
For the implementation of the MIRTI in 2020, the MTPE proposed policy recommendations to be executed by the regions, which were validated by 12 of the regions, namely: Ayacucho, Callao, Huancavelica, Huánuco, Junín, La Libertad, Loreto, Moquegua, Pasco, Piura, Tacna and Ucayali.

**Implementation plan:**
Prioritizing actions in the territory through the efficient use of the Risk Identification Model (MIRTI).

**Impact:**
The aim is to incorporate the identification of child labour into inspection actions carried out by local governments in establishments and enterprises within their jurisdiction through the implementation of the MIRTI.
