OF CHILD LABOUR

## GOVERNMENT

The Ministry of Labour of Colombia, Colombia  
pledges to

**Carry out regional activities providing  
technical assistance in the area of public  
policy for the eradication of child labour**

## **Carry out regional activities providing technical assistance in the area of public policy for the eradication of child labour**

### **Name:**

To carry out regional activities providing technical assistance in the area of public policy for the eradication of child labour.

### **Description:**

This activity or pledge will be developed in the different territories of the country, through the coordinated work of the regional committees and the range of strategic partners in these spheres. Information will be disseminated to public officials, parents, students, employees, employers, teachers and the general public on child labour and its consequences to raise awareness about actions to prevent and eradicate child labour, by means of a methodological component composed of guides, strategies and other contents framed in the use of the Ministry's main technological tool, the Integrated Registration and Information System for Child Labour (SIRITI).

### **Implementation plan:**

This pledge will be implemented through:

- Virtual and face-to-face training
- Webinars and face-to-face seminars
- Webinars
- Communications contents disseminated through institutional social networks
- National and regional events
- Guides
- Modules
- Inputs

### **Impact:**

By getting involved in these awareness-raising and pedagogical actions, the Colombian Ministry of Labour and its Sub-Directorate for Labour Protection aim to promote training and awareness-raising spaces for all actors involved in the care and protection of children and adolescents, implementing the area of public policy on the prevention and eradication of child labour in the territory, with the sole purpose of conceptualizing and explaining how child labour and tolerance of child labour can only bring harm, in addition to providing information on the guarantees covering protected youth labour.
