Take action against child labour now

Name:

Take Action Against Child Labour Now

It's time to take action against child labour and return children back to school.

Implementation plan:

We are going to hold a March like we did in year 2007: https://en.wikipedia.org/wiki/Global_march_against_child_labor#Recent_events

Impact:

It will raise the community's awareness of the downsides of child labour.
