pledges to

Support the ending of child labour
Support the ending of child labour

Name:  
“Ending Child Labour”

Description:
We will eliminate the reasons behind the use of child labour and create and implement action plans for children to attend schools.

Implementation plan: 
We will arrange audits for our stakeholders and partners on the use of child labour, develop an action plan and do the monitoring.

Impact: 
We will participate in researches on the prevention of child labour and share our experiences in accordance with the commitments we have made in the UN Global Compact agreement. We will present the audits in the Global Compact Progress Report, we will do conduct some studies for the favour of children returning to school, and we will support associations that are providing scholarships for students.
