OF CHILD LABOUR

GOVERNMENT

Pakistan Bureau Of Statistics, Pakistan
pledges to

**Using statistical means to support the
ending of child labour by 2025**

Using statistical means to support the ending of child labour by 2025

Name:

Ending child labour by 2025.

Description:

We will work towards eliminating child labour by supporting knowledge generation through improved data-availability. We will lower the age of the labour force in our statistics from 10 to 5.

Implementation plan:

We will implement this change our implementation plan will be presented in the next labour force survey.

Impact:

This Action Pledge will allow us to identify the sectors of the economy where child labour is up to maximum and coordinate actions.
