pledges to

End child labour in our area

End child labour in our area

Name:

Ending child labour in our area

Description:

Our plan is to end child labour for children up to the age of 14 in our working area. We will coordinate with the local government and Nepal police to end child labour. Our beneficiaries will be children aged up to 14 years working at hotels, brick kiln factories, and the local transportation sector.

Implementation plan:

Our plan is to end child labour for children up to the age of 14 in our working area. We will coordinate with the local government and Nepal police to end child labour.

Impact:

Our action pledge will contribute to ending child labour in our working areas by coordinating with local government and Nepal police as well as other partners that are working to ending child labour.
