## **Partner with GoodWeave to ensure all operations of companies and organizations within the Nepal Network are child labour free**

### **Name:**

We will partner with GoodWeave to ensure all operations of companies and organizations within the Nepal Network are child labour free.

### **Description:**

We will partner with GoodWeave to ensure all operations of companies and organizations within the Nepal Network are child labour free and invest in child protection (including rescue and rehabilitation) as well as education for children.

### **Implementation plan:**

We will collaborate with Goodweave who has a 25-year history of combatting child labor in the region.

### **Impact:**

1. Awareness of the issue.
2. Implementation of best practices.
3. Remedial action if child labor is found.
