

INTERNATIONAL YEAR
FOR THE ELIMINATION
OF CHILD LABOUR

GOVERNMENT

Vietnam's Ministry of Labour, Invalids and Social Affairs, Vietnam
pledges to

**Organize policy dialogues on International
Commitments related to Child Labour
Elimination in FTA towards SDG 8.7**

Organize policy dialogues on International Commitments related to Child Labour Elimination in FTA towards SDG 8.7

Name:

Policy dialogues on International Commitments related to Child Labour Elimination in FTA towards SDG 8.7

Description:

- Organize Policy dialogues
- Capacity building
- Awareness raising/ producing Publications or handbooks on child labour

Implementation plan:

Organize Policy Dialogues under the support of the ILO Enhance Project.

This policy dialogue (01-02 dialogues) with the participation of the relevant government, socio-political agencies, vocational training providers/ institutions/ business enterprises / employers organizations (VCCI, VCA), community organizations (particularly in the projects sites) international organizations will be organized in collaboration between the MOLISA International Cooperation Department and ILO-ENHANCE project,

About 100 participants will be in the workshop, from:

- Vietnamese participants: Related government Ministries, VCCI, VGCL, VCA, local provinces in the central and southern Vietnam (including project provinces/cities), vocational training institutions/ association on the South and Central and North of Vietnam, business association (agriculture, fishery, food processing etc.); DOLISA, Department of Commerce and Industry, Department of Agricultural and Rural Development (People Committee at commune level) from selected provinces (such as An Giang, Kien Giang, Binh Thuan, Khanh Hoa, Phu Yen,/....) business communities, communities organizations, etc;
- International participants: ILO, US Embassy, UK Embassy, Korean Embassy, EU, UNICEF, UNIDO, IOM, international NGOs and some interested partners:

The handbook aims:

- To advocate and raise awareness among relevant stakeholders on international labour commitments under FTAs, SDGs related to child labour in the new context of international year for elimination of child labour and post-Covid 19;

VIETNAM'S MINISTRY OF LABOUR, INVALIDS AND SOCIAL AFFAIRS, VIETNAM

- To share and exchange experiences and good practices among FTA member countries and key trading partners in the prevention of child labour in the new context towards SG 8.7 and green growth
- To serve as a source of reference and actions and plan to make for relevant stakeholders for the purpose of child labour prevention towards SDG and green growth
- To contribute towards joint actions of relevant stakeholders to realize objectives in Alliance 8.7 for VietNam
- To commemorate and highlight International year of child labour elimination 2021

Impact:

- Raise awareness and understanding as well as the capacity of the participants on international labour commitments related to child labour - the prevention of child labour towards SDGs and green growth
- Raise awareness and create a network among relevant stakeholders on the vocational training and orientation for the purpose of child labour prevention (particularly in the agriculture sector).
