TRAVIS CONSULTANTS, MALAWI

Create awareness regarding child labour in five schools in five communities in Dowa district.

Name:

Involve and support the Child

Description:

We will identify community volunteers and train them on child labour.

We will identify a drama group at community level to train children on child labour.

Implementation plan

We will conduct sensitization in communities. We will train children face to face in communities and at school.

Impact:

Children will be aware of child labour especially on tasks they can and cannot do on farms.

Communities will take responsibility of ensuring that children are protected.
